

As the governing body of the game, The London Football Association is responsible for setting standards and values to apply throughout the game at every level. Football belongs to, and should be enjoyed by, anyone who wants to participate in it. The London FA's commitment is to eliminate discrimination whether by reason of gender, sexual orientation, marital status, race, age, nationality, ethnic origin, colour, religion or belief, ability or disability. The London FA is also committed to promoting equality by treating people fairly and with respect, recognising that inequalities may exist, by taking steps to address them and by providing access and opportunities for all members of the community.
